

Dear Camas Ridge Families,

Reading Curriculum Adoption Information & Survey

Eugene School District 4J is in the process of choosing new Language Arts materials for K-5 students. We'd like to take this opportunity to share an informational video about the process and share information about our two finalists, Expeditionary Learning (EL) and Wit & Wisdom/Fundations. After you have watched the video, you can share your feedback in a survey. Lastly, if you'd like to explore these materials, we have provided links to do so below
